

Flexible Learning Packages leading to Swim England Qualifications

- ✓ Do you need / are you ready to fast track your qualification or simply have really limited time to attend a course?
- ✓ Do you want to gain a SEQ Teaching Swimming qualification?
- ✓ Do you have the desire and passion to succeed?

Then our flexible learning packages are for you!

Who flexible learning packages suitable for? It's for learners with significant practical teaching experience who wish to obtain SEQ qualifications.

- It's for learners who are not able to attend a course, and would like to fit the training in around their work and home life and their teaching commitments.
- It is even suitable for those of you who hold an 'old' ASA teaching qualification and would like to update it.

This programme is not suitable for you if you have no or limited teaching experience. In this case you will be recommended to complete the full course.

What is a Flexible Learning Package?

- It is a programme to enable students to obtain the SEQ Level 1 Swimming Assistant (Teaching), SEQ Level 2 Teaching Swimming or SEQ Level 2 Teaching Swimming to Babies and Toddlers.
- This is achieved through a combination of distance or blended learning, without necessarily having to attend face-to-face training sessions.
- Training can be completed mostly at home and in your workplace.
- A tutor will be allocated to you to support, guide, and coach / mentor each learner through their programme.
- You will be responsible for managing your own work programme and submitting work to your tutor.

How does it work?

All learners are initially assessed with a RPL (recognition of prior learning) questionnaire to check their suitability for flexible learning package. If your participation through this route is appropriate, and after we receive your fees, you will be accepted onto the training programme. You will then be required to submit documents and evidence to meet the standards required for the qualification. A personal tutor (assessor) will support you throughout the programme, and there may be others appointed from time to time to conduct part of the assessments.

The following methods of communication and assessment may be used according to circumstances:

- Visits to your workplace
- Practical teaching observations
- Theoretical question papers
- Zoom / phone calls
- Face-to-face meeting, marking and assessment of portfolio.

In order to meet the requirements of the learning outcomes and assessment requirements, you will be required to complete assessment tasks including:

Flexible Learning Packages leading to Swim England Qualifications

- Theoretical questions
- lesson planning
- overviews
- practical teaching
- self-evaluation
- professional development plan

as required by the qualification. You will need to be teaching a range of abilities with classes of at least 8 swimmers.

It is important to note that a Flexible Learning Package is not a short cut to gaining qualifications. Learners are assessed to the same criteria and standards as those who attend a formal taught course.

How much does it cost?

Qualification Title/Package	Cost
SEQ Level 1 Swimming Assistant (Teaching)	£400
SEQ Level 2 Swimming Teacher	£680
SEQ Combined Level 1 Swimming Assistant (Teaching) & Level 2 Teaching Swimming	£950
SEQ Level 2 Teaching Swimming to Babies and Toddlers (Level 2 entry)	£370
Additional tutor time per hour	£50

The price depends on the qualification(s) you wish take and already hold.

The initial package is fully inclusive of the following:

- Tutor's time for assessment, professional discussions, visits etc;
- Current SEQ registration fee;

Package prices are calculated based on expected tutor/assessment time. Any additional tutor time required would be charged at £50 per hour

If you are interested, please complete the application and RPL forms for an initial assessment. Only those accepted on to the programme will be required to pay the course fee detailed above. We are able to accept payment by instalments, where arranged in advanced.
